

Town of Oyster Bay Civil Service Employees Association Local 881 2019 Elizabeth (Bette) James Scholarship Fund

APPLICATION GUIDELINES

General Information

What is the purpose of the Bette James Scholarship Fund?

The scholarship fund was created in remembrance of Elizabeth (Bette) James, who was an officer and activist of CSEA Local 881, to continue her legacy of providing help and assistance to others. Bette was a long-time Town of Oyster Bay employee who was fiercely devoted to her family, friends, church and community. Bette's enthusiasm, compassion, and faith provided her with the endurance to volunteer much of her time to promote a better life for people in the Oyster Bay Community where she was born and raised. Bette was particularly fond of championing the "underdog" and helping less fortunate individuals. Her leadership, dependability, hospitality and humility earned her the respect of her co-workers who elected her to the Executive Board of the CSEA Local 881 Union.

This scholarship is not focused on academics in the manner that traditional scholarships are, but is focused on the student's participation in extra curricular activities, volunteerism, leadership abilities, commitment to community & civic groups, and activities that encourage a positive direction for the future. The scholarship will assist a student who exemplifies some of the qualities that Bette possessed.

The scholarship may be used for tuition and/or associated tuition costs for a student currently attending or planning to attend a vocational training school, trade school or college.
