

LOCAL 881 NEWS

OCTOBER 2025

A message from our Local President

Dear Members,

September was a busy month for CSEA. It started with us holding our first of three Member Information Days on September 4. On September 6, we joined other CSEA

locals from Long Island, NYC and Westchester to walk in NYC's Labor Day Parade. We followed that up with the last two Member Information Days. If that didn't keep us busy enough, myself along with two other officers attended the Region One Fall Conference. This weekend conference was jam packed with a multitude of interactive classes, discussions, and information

between locals on Long Island. All of this was in addition to the daily work of hearings, grievances, orientations, and meetings.

I'd like to thank everyone who came out for our three Member Information Days. I hope that you enjoyed yourselves and found the information from the vendors helpful. I'd also like to thank all those who donated to Local 881's Scholarship Fund. We raised nearly \$700 with all proceeds going directly to the 2026 scholarship. Photos from all three events can be seen on our Facebook page and on the back.

On September 9, Inspectors from the Department of Planning and Development received their contractual work boots. The members were very excited by the selections that were available to them and were able to get perfectly fitted footwear. Some photos from that morning are on the back. Also, we are working with the Highway Division and boots will be arriving soon!

If you have any health and safety concerns, issues, questions or just need some guidance, please feel free to contact my office at (516) 677-5818. You can also reach me directly at (516) 279-9912.

In Unionism,

Guadalupe Johnson

Congrats on your Milestone

35 YEARS

Scott Russo - Parks
Spencer Silver - Highway

20 YEARS

Kevin Langberg - Planning & Development
Christopher Poggiali - Highway

Please take a moment to scan the QR code. This will ensure that your e-mail address, work location, and cell number are up-to-date with Local 881.

October is Breast Cancer Awareness Month

There is no excuse for anyone to not get their annual mammogram. On page 31 of our contract, section 7-1.2.2.9 - Four Hour Annual Excused Leave, gives all full-time employees four hours of paid leave to get their cancer screenings done. You do not have to use your earned time-off. Proof of screening may be requested by your department.

Early detection saves lives!

We are pleased to announce our new CSEA members!

- Laith Nanous - CVM
- Christopher Francavilla - Sanitation
- Rafael Moronta - Sanitation
- Michael Turner - Sanitation
- Dominic Volpe - Sanitation

Kevin McNamara
Public Safety
