

LOCAL 881 NEWS

AUGUST 2026

A message from our Local President

Dear Members,

Can you believe it's August already? The summer is just flying by, which means we are getting close to our **End of Summer Bash** on September 4th. Tickets for this fun evening are available now. Details for this event can be found on the back.

CSEA Region One will be celebrating the life of former Statewide President Danny Donahue. Danny, whom we lost in August of 2025, was a resident of the Town of Oyster Bay and Region One President before becoming the Statewide President. His love of CSEA was always felt when he would declare CSEA as "the best damn union in the country." A dedication ceremony will be held at the Region One office in Commack beginning at noon on Monday, August 10, 2026.

In the last couple weeks, there have been quite a few inquiries regarding our vision plan. We have the Platinum Vision Care Plan through CSEA's Employee Benefit Fund. However, when booking an appointment, our insurance is **Davis Vision**. Also, there are other providers besides Visionworks available to us. Visit cseaebf.com to search for participating providers near your home or stop by the union office to pick up a participating provider booklet.

I am asking everyone to please scan the QR code on the back to update your email and phone number. It is imperative for our office to have your latest contact information if an important message needs to be relayed or if there is an emergency. Please note, that this information will only be used when we need to reach everyone in a timely fashion.

Finally, if there are any concerns, health and safety issues, or you just have a question, please contact our office at (516) 677-5818. I can always be reached on my cell at (516) 279-9912.

In Unionism,

Guadalupe Johnson
