

LOCAL 881 NEWS

OCTOBER 2026

A message from our Local President

Dear Members,

Autumn arrived in full force and once again our members did an exemplary job in the aftermath. No matter what Mother Nature brings us, we always get the work done to win against her.

We held our End of Summer Bash on September 4th and despite it being Labor Day weekend, those that were able to attend had a great time. You can check out photos from the evening on the back. In anticipation for the new year, we are planning a couple of fun things to participate in. So stay tuned.

I'd like to take a moment to discuss the upcoming November elections. Every time the Town of Oyster Bay has an election, all candidates go through an endorsement process with the Local 881's Political Action Committee (PAC). The screening of each applicant allows us to find the individual whom has the best understanding of the issues concerning members of our local. Once our endorsement process is completed, we recommend that the Region One PAC also endorse our chosen candidates. This year, we are endorsing our current Supervisor, Joseph Saladino, and Rich LaMarca, our current Town Clerk. Both of these candidates have a good working relationship with CSEA and an understanding of public service.

After a day of trick or treating, please remember to turn your clocks back one hour as daylight savings time ends at 2:00 am on November 1st. We want everyone to enjoy the extra hour of sleep and also show up to work on-time Sunday.

As always, if there are questions, concerns or you'd like to set up an appointment, please contact the office at (516) 677-5818. I'm also available 24/7 on my cell at (516) 279-9912.

In Unionism,

Guadalupe Johnson

There is no excuse to not get your annual mammogram. On page 31 of our contract, section 7-1.2.2.9 - Four Hour Annual Excused Leave, gives all full-time employees four hours of paid leave to get their cancer screenings done. You do not have to use your earned time-off. Proof of screening may be requested by your department.

EARLY DETECTION SAVES LIVES!

END OF SUMMER BASH

A great time was had by all dancing the night away. We also recognized Lisa McLane and Rodolfo Mercado, as recent retirees from the Town.
